Winter Newsletter January - March 2022

Hello Everyone

It is great to be able to send you photos of what's been happening over the past few months and see parents and children at activities (some sense of normality again) There are some very important dates you need to keep in mind if you have a little one ready for preschool or primary school (see details below). If you need any support with the application process do get in touch with us. Expression of Interest forms for September 2022 intake to our Developmental Programme for 2-3 Year Olds are available online.

There is a lot of uncertainty around at present due to the pandemic and changing guidance but we have gone ahead and have planned to deliver programmes and activities in the coming months so please check out details and ring to book your place on a programme as soon as you can. Please keep checking our Facebook, App and Website for news updates and any changes that may happen.

Finally, we all wish you a happy, healthy and relaxing Christmas period and look forward to seeing you in the new year.
